FROM THE PRO SHOP contd.

With the golf season approaching, I thought I would give some input from the golf side of things. It has been a while and it is better to be over-informed than the other side of the coin. For starters, welcome back to those returning and hello to those who have joined our family. It is a great time to be a CCC Member (cue Country Roads)!

The golf shop is in the process of ordering items for the season including golf balls, hats, gloves and all the other accoutrements needed to look good while playing good. Expect new products in by May when the weather is consistent and all things are in bloom and the course is in pristine conditions.

First item to discuss will be sign-ups for all events at the club involving MGA golf. We have used an online method for those who wish to participate and it seemed to be a winning combination. A simple few clicks on the phone or laptop and you are now registered for the Men's Opening Day Event. To support those who prefer the old - fashioned way, we will still supply the sign-ups on the pro shop porch as well.

Secondly, as most may know, we are reverting back to the old range ball program where you can purchase range balls by the bag (single), multiple bag at-once purchase or even a seasonal range plan. There will be some details about each plan that will be explained (see next page). Please note the range opens on April 1st – No Foolin'!

In relation to the pro shop and stocking items for sale – besides clothing and other items, we are offering a couple specials that may be of interest. In the past, we offered a shoe purchase where members can order a pair of Footjoys from the current stock 2024 with a 20% discount off the MSRP and we are looking to open that up again. <https://www.footjoy.com/men/golf-shoes/>

Here is the link to the web site – for women, just use the search bar and find your selection. The technology has been improved solidifying why FJ is the best shoe for golf. You may also order from the MyJoy collection as well and have your shoes made just for your taste. We have till the end of May if you wish to take advantage of this opportunity.

And, as usual, if you are wanting anything, we have special ordered many products from balls to clubs and if interested, please feel free to reach out to talk about what you are looking for and I will do my best to provide and offer a great price as well.

Beginning in April, the shop will be open from Tuesday through Sunday (Weather Permitting). We will have the same familiar faces in the shop with Tom, Clarence (Bucky) and Jacob coming back with hopes of Gavin (if I can guilt him back) as well. Nonetheless, we will be ready to cater to the membership for this summer. Glad to see the team is coming back!

To end, the **Member-Guest** has been slated for the weekend after West Virginia day (**June 21-23**) and we will be sending out invitations to those who want to participate. The responses last year were an all-time high since I have been at the club and from start to finish one of the best in feedback given. It is the best event of the year and we showcase the club to your family and friends who participate. Be sure not to miss the opportunity to play again as I am sure it will fill up quickly.

PRACTICE RANGE / PRIVATE CARTS

The Golf Practice Range is scheduled to open for the season on Monday, April 1! In recent years, Golfing Members were privileged to unlimited use of the practice area. Before that, the members were offered a variety of range plans to purchase balls for practice. After careful consideration, the Board plan to bring back the range plan program beginning in 2024. The added expenses related to the practice area like restocking inventory (balls and bags) weighed in this decision. On average, the club has lost around 3,000 range balls and 60 range bags a year. And the board would like to direct those dollars spent on the range for improvements of the property. So, the purchases made to improve your game will be used to improve the facilities. It was not an easy decision but a necessary one.

This range plan will be available where ANY CCC Member in Good Standing. The variety of packages include single bag (40 balls), mini packages and even a seasonal pass. Please let the Pro Shop or Shannon in the office know what Plan you want to purchase, and it will be Charged to your account. You will be provided a Card with your name and Plan. You will be providing your card to the Pro Shop upon receiving a supply of bags & balls. Your card will be returned to you upon return of the range ball bag(s). The Range card can only be used by you. **NOTE:** Your Plan must be paid for within 30 days, or your privileges will be suspended.

Range Card Plan 2024

Single Bag- 40 balls - \$5

Packages 10 Bags - \$45

 20 Bags - \$80

 50 Bags - \$150

 Unlimited Season - \$200

Compared to: Bridgeport CC Seasonal \$200 / \$7 per Bag

Golf Cart Private:

Clarksburg Country Club Trail Fees of \$300 will be billed in May for each Golfing Membership (single or married) using a privately owned golf cart. A Yellow sticker numbered consecutive will be assigned to each member to be prominently displayed on each Members Golf Cart. A trail fee will need to be purchased for each golf cart used on the golf course.

Also, we have received requests from Golfing Members who prefer to ride alone in their Golf Carts for either preference or a medical condition. To accommodate, beginning in 2024, The CCC Board approved allowing these Members the right to ride alone in their Golf Cart for a total Trail Fee of \$600. To distinguish the difference, each single rider will be given a separate orange sticker numbered consecutively to be assigned to and displayed on the respective Members Golf Cart. This decision is on a trial basis, and this will be reviewed and evaluated throughout the year to determine if it will be practiced in the future. To elaborate, Four (4) Carts with Single Riders with these privileges will be allowed to ride alone in a Foursome if all have purchased the Single rider Trail fee.

Every member owned golf cart being used here at Clarksburg Country Club must display either a yellow or an orange sticker on the golf cart at ALL times. If any cart is found without a sticker displayed could result in the cart being removed from the grounds of the club.

Please get with Shannon Bowie or Doug Comer if you have any questions.

Look forward to seeing you at the Club!

COURSE NEWS

So glad that we're turning the corner on the weather
and hope that this season is full of sunshine and dry grounds.

I want to thank all members for being patient with us during the aerification process. This is a necessary treatment that has to be done.

Here are our plans for this spring: aerify the greens, verticut the fairways after the first mow, slice the rough and we plan to fix the drainage on the course though out the year. As you know we've already accomplished aerifying the greens.

Our fall plans are to once again aerify the greens, drain the pond at 17 and fix the edges, add drainage to at least one green through winter drainage and add all white sand to ravines at 10 to make a continuous fairway. We're also going to burn the debris piles, mow all rough grass down to 3 inches and continue to add drainage.

Also, we ask that you please avoid parking next to the Maintenance building and gas pumps.

Our crew needs access to those areas.

Thank you for your courtesy
