FROM THE PRO SHOP CON'T...

From the Golf Shop

It's hard to believe we're already into the fifth month of the year. May is in full bloom, the grass is thriving, and we're finally seeing the effects of a quiet, snowy winter on the course.

The Golf Shop recently got a bit of a refresh! Huge thanks to Anthony Rogers and Pete Dye for donating a FootJoy display fixture—we're using it to showcase some of the exciting new apparel arriving in the coming weeks. As new inventory rolls in, last year's items will be marked down and available on our sale rack to make room for the 2025 line.

In Gear News: Titleist has officially released the new Pro V1 and Pro V1x golf balls, celebrating their 25th anniversary. At the shop soon.

We also have a gently used set of Titleist T100 irons (4-PW) available for purchase. These are custom fit with a 2-degree upright lie angle, ½" longer shafts, KBS C-Taper stiff steel flex shafts, and Golf Pride Decade grips. They're in excellent condition and priced at just \$700—a great option for anyone looking to upgrade without the brand-new price tag.

Upcoming Events & Reminders:

- 2-Man & President's Cup: Brackets will be finalized early this month, pending participation.
- MGA Dues: Will be billed this month. Your contributions help fund course improvements, range upgrades, and Player of the Year events.
- Wednesday Men's Night: Kicks off in May at 5:30 PM with a 9-hole game. Formats will vary each week—come out and play! Afterward, grab a pizza and a pitcher in the grill room with Nena, who's settling in wonderfully to her new role in Food & Beverage.
- Member-Guest Tournament: Invitations go out this month. Be sure to reserve your spot early—our golf committee has some wonderful things planned for an unforgettable weekend.
- GHIN Cards: Available in the Golf Shop. Please check off your name when picking up your card to ensure everyone receives theirs. One card per member with an active handicap.
- LGA Season Begins: Thanks to the Ladies' Golf Association for scheduling weekday events to help keep weekends open for general play and outings.
- Couples Golf: Kicks off in May with an 18-hole opener. Current sign-ups are posted on the Golf Shop porch.

Check the golf calendar for more upcoming events—we're looking forward to an active, fun-filled season with all of you!

GREENS NEWS

New Course Signage

In the upcoming days, you will notice new signs and flags posted at the gate as well as on the course. Red, Yellow and Green flags will be erected to indicate the playable status of the course. We ask that you please obey the flags. This will ensure your course is playable the maximum amount of time possible.

Please adhere to all signs and ropes and please keep carts in designated areas & cart paths. Please keep carts at least 30ft away from greens and make sure your cart registration stickers are up-to-date.

Hole #5 green is still under construction. Please continue using the temporary hole until further notice.

Greens were fertilized this month and we are preparing for a one & done on the fairways. Please stay off the fairways as much as possible.

As always, please be patient, courteous and kind and watch emails & Facebook for course updates!
