### Pro Shop Hours

- **Mondays** during the golf season will NOT open until 1:00 PM, and is open for **MEMBERS ONLY**.
- **EFFECTIVE IMMEDIATELY!** The Pro Shop will no longer be accepting cash as a form of payment. Please use credit or debit cards or Apple/Android Pay. Members may charge to their house accounts and will be billed on their next monthly statement. Past due accounts will not be allowed to be charged to a house account.
- **Driving Range** is now closed for the season.

**Signs and Flags** will be posted at the gate, as well as, on the course. These flags will indicate the playable status of the course. We ask that you please obey the flags. This will ensure your course is playable the maximum amount of time possible.

Please adhere to all signs and ropes, and please keep carts in designated areas/cart paths. Please keep carts at least 30 feet away from greens and make sure your cart registration stickers are up-to-date.

As always, please be patient, courteous, and kind and watch emails and Facebook for course updates.

Questions, comments, and/or concerns --- please feel free to contact Mike LeMasters at (304) 677-7474

Please ensure someone from your group checks in at the Pro Shop before teeing off. Knowing who's playing helps us with course usage records, which play a big role in future planning.  
Thanks for helping us stay organized!

Please make sure you are filling in your divots in the fairways and on the tee boxes. Also, take note to ball marks on the greens to make sure to fix them.

## From the Pro Shop

Hard to believe November is already here! We were fortunate to enjoy a few great golf days early in the month, but it looks like the weather is about to turn and bring an end to most of our regular season play.

As we shift into the colder months, I spoke with Brady Hatch, and we will soon be setting up temporary tee markers and holes for those brave enough to play through the winter. It is never the most glamorous part of the season, but it is a crucial step to allow the course to heal- and we are already seeing positive signs of recovery.

The Champ Is Here!

Congratulations to Shawn Long, our two-time President's Cup Champion! Shawn has been a fantastic member and dedicated supporter of our club. His leadership and commitment to improving our community- especially through his work with the airport- make him someone we are proud to call one of our own. Originally from upstate New York, Shawn has made West Virginia home, recently trying the know this past summer. Congratulations again on the win and the wedding!

2-Man Results

Unfortunately, the 2-Man event did not quite reach the finish line this year, as several matches went unplayed. To keep things fair, we will not crown an official champion; however, all teams that advanced to the final 16 will receive credit, with Shawn Long and Rick Rock earning the top payout for advancing the furthest. Remember folks- getting those matches in is the only way to compete!

Year- End Notes

We are planning an End-of-Season Sale in early December, so be sure to stop by and use any remaining shop credit before we roll into 2026. We will be sending out notices soon with your current balances. For those with outstanding charges, please take care of these as soon as possible.

Looking ahead, we are optimistic for a strong 2026 season. The course continues to make progress, and with the pool seeing significant use this year, we are excited about the restaurant reopening with full food and beverage service. Our focus will be on social engagement and top-notch customer service, making your club the go-to destination for members and guests alike.

Wishing everyone a safe and comfortable winter season- and let us hope there are no pickleball injuries along the way!

*-The Golf Shop Team*
