A sincere thank you goes out to everyone who participated and helped make this year's event a tremendous success. We especially appreciate our outstanding grounds crew, the Lemasters family for their additional support in preparing the course for play, and our Food & Beverage team for keeping players well-fed and hydrated throughout the competition.

August is packed with exciting golf events at the club.

The Club Championship will be held August 8-9, followed by the always-popular Calcutta Tournament on August 22-23. The Calcutta drawing and player auction will take place on Wednesday, August 19.

Registration for both events is available through the club's Google Forms or by signing up on the porch. Our goal is to keep the Calcutta a members-only event; however, if participation numbers are lower than expected, a limited number of invitation-only players may be added to complete the field.

If you have not signed up yet, we encourage you to do so soon!

High school golf season returns and we are excited to once again host Lincoln, Robert C. Byrd, and Notre Dame as they practice and compete.

A complete match schedule will be distributed to the membership soon. As in previous years, matches will primarily be played on Mondays and Tuesdays, with an occasional Thursday match. All competitions will be nine holes.

We appreciate the support these programs provide to the club. Their use of our facility helps fund important end-of-season course improvements, including aerification. We also thank Lincoln and Notre Dame for selecting Clarksburg Country Club as the host site for their fundraising tournaments this season in September and October. We are proud to partner with these schools and help grow the game for the next generation of golfers

From the Pro Shop

The Ladies Golf Association recently hosted its annual Invitational, and the feedback regarding the golf course was overwhelmingly positive.

Special thanks go to the LGA members for organizing another outstanding event. Despite challenging conditions that left nearly three feet of floodwater separating the front and back 9's, the committee quickly adapted the format by utilizing the eight holes closest to the clubhouse twice. The tournament ran smoothly, and the participants enjoyed a fantastic day of golf.

Visit the Golf Shop

Whether you need a last-minute sleeve of golf balls, a new glove, or some fresh apparel, be sure to stop by the Golf Shop.

We continue to carry quality merchandise from Johnnie-O and FootJoy, along with other golf essentials. Do not forget to check out our 50% Off Clearance Rack, featuring great deals on merchandise from the 2025 season while supplies last.

Those who received shop credit from the member-guest, PLEASE utilize those as soon as possible as they could be lost or misplaced. And do so while selections are still available. They do expire at the end of the season.

LGA News

July 23rd, the day of our ladies Member Guest posed quite a challenging day. Knowing that we had a ton of rain the day before and that the flood waters were not receding from the road that gives us access to the bridge to the remainder of the course big decisions had to be made. We decided to go for it and play the front twice which gave us 16 holes. But it turned out to be a lovely sunny day and 40 ladies were able to participate in the Ladies Member Guest. Several commented on how well the course had improved since last year.

A big thanks to Levi and his team really stood out in providing great service and food! Since our theme was "Chicks with Sticks" food was designed based the theme. Our lunch included caprese salad on a stick, pizza on a stick, and even s'mores on a stick.(you get the idea...) Also thanks to Cleve Bowie for taking our group photo and to Doug, Tom and Jacob for helping with loading the ladies clubs.
