September at the Club:

Labor Day traditionally signals the transition from summer into the fall season at the club. As the days become shorter and football season begins to take center stage, September has often been a time when the pace of activity on the course begins to slow. At the same time, our maintenance team begins preparing the course for the upcoming fall and winter months.

This year, however, September promises to be a highly active month at the club. The recent stretch of warm weather has allowed us to hold on to summer just a little longer, with comfortable temperatures extending well into the evenings. Other than the earlier sunsets, there are few reminders that fall is quickly approaching. It is a wonderful time of year to enjoy the course, and we encourage our members to take advantage of these remaining summer-like days.

A Full Schedule of Golf:

The month of September will feature a full slate of member events, beginning with an exciting schedule for the LGA. The ladies will have three events throughout the month, including the State Pin, one of the premier events on the LGA calendar. A Fun Day and the annual closing scramble will round out the LGA season.

The MGA will host its annual Ryder Cup Event on September 20, with teams competing over 27 holes in three different formats—Best Ball, Alternate Shot, and head-to-head singles competition. The event promises to be a momentous day of competition, camaraderie and, of course, a little friendly rivalry. Captains are currently being selected, and we are looking for two members interested in taking on the challenge of leading their respective teams. If you have ever wanted to serve as a captain and help guide your team to a Ryder Cup victory, now is the time to step forward. Look for the Sign Up Sheet for the Ryder Cup will be at Pro Shop in the coming days.

From the Pro Shop

Outside Events & Course Schedule:

September will also feature several outside events. The Antero event is scheduled for Friday, September 18, with the course also scheduled to be closed on September 25 and 26 for additional outside outings.

We are pleased to welcome Notre Dame High School back to the club for its annual fundraiser. We are also excited to add Doddridge County Baseball to our calendar of outside events.

Beginning September 14, the club will host high school golf matches on the remaining Mondays of the month. Members are asked to please be mindful of the match schedule when planning their rounds. The course will open for play in the afternoon on those days, providing a chance to enjoy a round before the 4:00 p.m. matches begin.

Looking Ahead:

As we turn the calendar toward October, two special events are already generating interest. The Lincoln Golf Outing will be held on October 3, followed by our Cross-Country Golf event on October 4.

Sign-up sheets and tee sheets for both events are now available in the Pro Shop. We encourage members to stop in, reserve their spot, and take part in what should be another enjoyable weekend of golf.

While September may traditionally mark the beginning of a quieter season at the club, this year will be anything but. With a full calendar of LGA and MGA events, outside outings, high school golf and hopefully several more beautiful days on the course, there is still plenty of golf to be played.

We look forward to seeing you at the club and enjoying the final days of summer together as we welcome the arrival of fall.

August was one of our wettest months this year which resulted in some interference with our golf events. But we powered on.

The LGA had the Ladies Club Championship where Anna Walsh was awarded the trophy. Congratulations Anna!

We also held a par 3 Fun Tournament on the 27th where we had 2 teams scrambling to be the winner. Congratulations to the team of Davis, Propst, Stemple and Benninger for winning the Fun Tournament!

For September, we have a 2-day tournament -The State Pin on August 3rd and 4th, and another Fun Tournament on Sept 15th. The LGA Closing Tournament is September 28th. Couples golf is scheduled for Sept. 13th and the Couples closing is scheduled for Sept. 27th.

It's hard to believe our season is winding down, and this is the last month of events. Get out there and play!! Remember- it's supposed to be fun!!
